

Essential Oil Blends for Soy Container Candles

“Fields”

- Rose Geranium - 165 drops
- Ylang ylang - 220 drops
- Lavandin - 275 drops

“Fresh”

- Lemongrass - 150 drops
- Rosemary - 200 drops
- Eucalyptus - 300 drops

“Woods”

- Atlas Cedar* - 200 drops
- Patchouli - 200 drops
- Sweet Orange - 250 drops

Notes:

Each blend is a guideline for creating 4, ounce container candles where each candle gets ~160 drops of a blend (~8ml). You will have overage, account for waste.

Buy the least expensive essential oils you can find, and the cheaper grade, such as Ylang ylang #3

*Substitute Juniperus virginiana for Atlas Cedar.
